

ONE LAST TIME - Ralph

Naomi's husband RALPH pulls up in front of her. He gets out the car, opens the passenger door and hugs her really tight.

RALPH

Naomi, it is going to be okay. I am here. It's going to be okay baby.

Ralph opens the passenger door and helps Naomi into the car and they drive off.

NAOMI

Can you drop me off to the house first? I am really exhausted and can use some rest before Nekeyla get's home.

RALPH

Okay sweat heart, I'll drop you to the house and then pick up Nekeyla.

NAOMI

Thanks babe.
