

ONE LAST TIME - Tiana

Naomi's father, MOE, male in his early 30's, walks into the room.

TIANA

Hey honey! You are home early. How was work?

Moe walks in front of the closet.

MOE

It was the worst. When my shift ended this morning they pulled me into a meeting about a budget cut and then let me go. I was so angry I slapped my boss and told him fuck you and your company! Then I walked out.

Tiana smells alcohol on Moe.

TIANA

You what! And have you been out drinking?

Moe walks into the closet angry. Then suddenly there is a loud bang. Tiana falls to the floor in front of Naomi.

MOE

Like I said I loss my job! I told you about questioning me. I see you haven't learned yet to keep your mouth shut.

Naomi runs back into the closet to console her mother, Tiana.

YOUNG NAOMI

Mama! are you okay? Mama are you okay?

Tiana pushes herself up off the floor to sit up, as blood is dripping down her swollen face. She reaches for Naomi, sits her on her lap and hugs her. Moe walks out the closet.

TIANA

It's okay baby. Baby, It's okay. Daddy just had a bad day.

Naomi is crying as she sees blood dripping from Tiana's face and screams.

YOUNG NAOMI

Mama your bleeding! Your bleeding
Mama! It's not okay!

ONE LAST TIME - Tiana

Naomi is angry and jumps out her mothers arms rushes for her father. She starts punching him.

YOUNG NAOMI

Daddy! You hurt my Mommy! You hurt my Mommy!

The father turns around and knocks Naomi down. She falls and hits her head on the closet door.

MOE

What the hell you think you're doing?
I'm the Father and king of this house.
You and your fucking mother better
recognize who runs this home.

Naomi starts losing consciousness.

YOUNG NAOMI

Daddy you hurt me. Please don't hurt
mama.

Naomi eyes close. Tiana builds up with rage and she races out of the closet in pain with a broken pole from the closet and starts to hit Moe with it.

TIANA

You crazy ass mother fucker! I'm tired
of this shit! You hurt my Princess so
now your ass is going to pay!

MOE

Crazy ass woman get off of me! Get off
of me! You better not let me up cause
I am going to whoop your ass. Get off
of me woman!

Moe keeps trying to get up as Tiana continues to hit him with the pole.

TIANA

Hell, no! I am going to make you feel
the pain you caused me after all these
years! This is the last time you will
hurt me and Naomi. This is the last
time!

As Naomi begins to regain consciousness, she see's her mother hitting Moe with a pole. Naomi starts to get up.

ONE LAST TIME - Tiana

YOUNG NAOMI

Mommy! I am okay. Mommy! I am okay!
Please do not kill daddy! Please do
not kill daddy!

Tiana hits Moe with the pole one last time. He falls to the floor. Tiana falls to the floor to grab young Naomi and hugs her tightly. Tiana is crying and rocking back and forth.

TIANA

Daddy has hurt us for the last time.
He will never hurt us again. I love
you baby. I love you my beautiful
Princess.
