

JOURNEY TO LOVE - Thelma

Thelma leans over the table to Dan. She cups her hands and speaks in a quiet voice.

THELMA

I'm sorry to talk this low but I recognize the gentleman sitting at the table next to us. He's a client of mine.

DAN FENTON (V.O.)

Oh. What business are you in?

THELMA

I'm a sex therapist.

Thelma opens her purse, picks up the cloth napkin from the table and stuffs it into her purse and closes it.

DAN FENTON (V.O.)

When we finished our meal, she gathered up her linen napkin and stuffed it in her purse.

THELMA

(low voice)

Don't worry about this, they know me here and don't mind.
