

## DEAR WES - Mr Stanton

INT. THE STANTON'S LIVING ROOM - DAY - FLASHBACK

MR STANTON is wearing golf attire. A golf club is in his hands. He is practicing his golf swings. Wes is sitting on the couch.

MR STANTON

You're not gonna be in charge of the business.

WES

What?! Are you serious?

MR STANTON

Yes. I don't care if you're my son.

CAGED DOLL, the Stanton's personal assistant, comes from behind the mini bar holding a tray with TWO DRINKS. She walks over to MRS STANTON, wearing Tennis attire. Mrs. Stanton takes her drink. Caged doll and Wes' eyes meet as she walks over to Mr. Stanton.

Wes looks over to his mother for support, but she is too busy deciding which hat to wear.

MR STANTON

You need to be strong, assertive, with a backbone. Know how to handle things with confidence.

Mrs. Stanton walks over and pats her husband shoulder.

MRS STANTON

He's right.

Mr. Stanton takes his drink.

MR STANTON

I can't have someone who worries about how people see him. Grow up and be strong Wes.
