JEFFREY

AMELIA

JEFFREY

Something isn't adding up.

Jeffrey sighs, thinking.

JEFFREY

But I think there's enough. I think we should go for it.

AMELIA

Really? No joke? You're my lawyer? So what now? We send them an email or a letter asking where Claire is?

JEFFREY

JEFFREY

AMELIA

No, the suing them part.

JEFFREY

Amelia, there's no way the person I knew - the person who made that video would have given up their child. Let alone the fact you signed those papers in the middle of a study where your memories are wiped. Who knows if you even knew what you were doing?

(seeing her expression)

What's wrong?
